According to the Florida Department of State, Division of Corporations, Williams Paving Co., Inc., Company Principals are Jose Rodriguez, Ronnie L Smith, and Lonnie L Collins, and the company's address is listed as 11300 NW South River Drive, Medley, Florida 33178.

Following PWWM's standard operating procedures a pre-construction meeting will be scheduled after award of this contract. The person responsible for all PTP projects in PWWM is Mr. Alejandro Martinez-Esteve, RA, LEED AP, Manager, Capital Improvements Section. Following completion of the award process, the project will be assigned to Mr. Leo Salgueiro, Project Coordinator, for the day-to-day responsibilities.

Background

As part of the PTP Neighborhood Improvements initiative, PWWM continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting process available under the MCC 7360 Program. Through this process, PWWM forwards a Request for Price/Quotation (RPQ) by way of facsimile transmission to a pool of firms that have registered with ISD for the respective trade. Additionally, PWWM advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project's award evaluation is based upon the bid submitted by the lowest responsive and responsible bidder for the project.

PWWM submitted its contract measure recommendation for Small Business Enterprise -- Construction (SBE-CONST) participation for this RPQ to SBD. SBD completed its Project Review and Analysis and established a 30.41 percent SBE-CONST participation goal. A Community Workforce Program (CWP) goal of ten (10) percent has been established for this project since the project location falls within a Designated Target Area.

On February 12, 2015, PWWM forwarded RPQ No. 20140229, utilizing the MCC 7360 Plan - CICC 7360-0/08 Contract, to a list of 73 pre-qualified firms. A total of 14 firms purchased contract documents and ten (10) firms proffered a bid.

On March 18, 2015, Williams Paving Co., Inc. proffered the lowest responsive and responsible base bid of \$3,681,377.67, one (1) percent above the County's cost estimate.

The second lowest bidder, Gonzalez Pavement Equipment (GPE) Engineering, Inc., proffered a base bid of \$3,772,130.93, four (4) percent above the County's cost estimate; however, the firm failed to meet the SBE-Construction goal requirement for this project. The third lowest bidder, Horizon Contractors, Inc., proffered a base bid of \$3,777,858.20, four (4) percent above the County's cost estimate.

Based on the result of the solicitation, PWWM issued a recommendation for an award on April 10, 2015 for RPQ No. 2014022 to Williams Paving Co., Inc., with the stipulation that approval for this project must be obtained from the CITT and the Board. A copy of all bids and the bid tabulation for this project are available by contacting Alejandro Martinez-Esteve, the Manager of the Capital Improvement Section of PWWM.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment, and tools to perform all operations necessary to widen the existing roadway to a two-lane divided highway with raised landscaped median, provide bike lanes, on-street parking, sidewalks, curb and gutter, a continuous storm drainage system, signalization, pavement markings and signage, a traffic circle, ground fault interrupter (GFI) outlet system, and lighting. The contract duration is established as 365 calendar days.

US-1 to SW 137th Avenue

The Small Business Development (SBD) Division has completed its review of the subject project for compliance with the Small Business Enterprise-Construction (SBE-Construction) Program for Construction Services. The contract measure established for this project is a 10% Community Workforce Program (CWP) goal and a 30.41% SBE-Construction subcontractor goal.

The Capital Improvements Section of the Public Works and Waste Management Department (PWWMD) has submitted bid documents from Williams Paving Co., Inc. (#1), Gonzalez Pavement Equipment (GPE), Inc. (#2) and Horizon Contractors, Inc. (#3) for compliance review. Following is the pre-award compliance status and summary.

STATUS:

|------------------------------|---------------|
| 1. Williams Paving Co., Inc. | Compliant |
| 2. GPE, Inc. | Non-Compliant |
| 3. Horizon Contractors, Inc. | Compliant |

SUMMARY:

(#1), submitted the required Schedule of Intent (SOI) Affidavits from the following certified SBE-Construction firms: Reyes Electric, to perform electrical work at 16.29%; J & M Parking Lot Maintenance, Inc., to perform pavement markings and signage at 2%; and Florida City Engineering Contractors, Inc., to perform concrete curbs and sidewalk work at 12.50%. Each subcontractor signed its respective SOI Affidavit in agreement with the information listed. Williams Paving Co., Inc. is in compliance with the Implementing Order for the SBE-Construction Program for the purchase of Construction Services.

GPE Engineering, Inc. (#2), a certified SBE-Construction firm, submitted a SOI Affidavit committing to perform roadway improvement and drainage system work with its own forces at 100%. A successful prime bidder that is a SBE-Construction firm or a SBE-Construction joint venture may perform up to fifty percent (50%) of a SBE-Construction subcontractor goal with its own forces. SBD notified GPE Engineering, Inc. in writing that their bid documents submitted did not comply with the SBE-Construction measure applied to the contract. The firm did not request a meeting to provide additional documentation and clarification to assist in the compliance review. GPE Engineering, Inc. is not in compliance with the Implementing Order for the SBE-Construction Program for the purchase of Construction Services.

Corp, to perform signalization and lighting work at 16.04%. Each subcontractor signed its respective SOI Affidavit in agreement with the information listed. Horizon Contractors, Inc. is in compliance with the Implementing Order for the SBE-Construction Program for the purchase of Construction Services.

SBD has verified that none of the aforementioned firms are listed on the Goal Deficit Make-Up Report as of March 1, 2015. A review of the History of Violations Report as of March 13, 2015 indicates that none of the aforementioned firms has an open violation. Please note that SBD staff reviewed and addressed compliance with the CSBE program. The Capital Improvements Section of the PWWMD is responsible for any other issues that may exist.
